

PEQUOT IMAGING

Mobile on-site MRI and CT services now available for Team Members and Dependents!

MPTN has partnered with Alliance Healthcare Radiology who will provide MPTN/MPGE Team Members in the Employee Health Plans and Tribal Members – along with their dependents, convenient access to affordable, high-quality diagnostic imaging. With this new healthcare benefit you can utilize the onsite option and will not be subject to any plan deductible, copays, etc. for MRI or CT services.

How to obtain your mobile MRI or CT service benefit:

- Your physician calls our dedicated MPTN 800-number (800-287-3317) to schedule your exam through Alliance’s Scheduling Department.
- Alliance Scheduling confirms eligibility (benefits eligible) and collects demographic information.
- Alliance Scheduling confirms date for Member or Dependent’s exam and “preps” patient for their up-coming scan.
- Alliance Scheduling will contact Member or Dependent in advance of exam.
- Member or Dependent arrives and parks at Tribal Health Services (THS) (75 Route 2 Ledyard, CT 06339).
- Member or Dependent “checks-in” at Tribal Health Services (THS) and completes standard patient forms.
- Member or Dependent is escorted to Alliance mobile (MRI or CT) unit (in Tanger parking lot and ~100 feet from THS).
- Alliance Technologist completes Member or Dependent’s exam (MRI or CT).
- Member or Dependent is escorted back to vehicle and may depart.
- Alliance Technologist transmits image to MPTN’s reading radiologists (Mid-State Radiology / Hartford Healthcare)
- Reading Radiologist reads exams and sends results to Member or Dependent’s ordering physician
